## SUMMER PROGRAMS

GROW Zone has three distinctive summer camp options for your child. Each program offers a safe, fun environment with many educational opportunities.

JAMPAC JUNE 22-26

JAMPAC...Jesus and Me Performing Arts Camp is a full week of music, drama, choreography, set construction and loads of fun putting on a great children's musical production. This camp is held daily from 8AM-6PM with a musical performance for your friends and family at 6PM on Sunday evening, June 28. This camp is for children who have completed grades K-8.

SUMMER SPECTACULAR AUGUST 3-7

This camp features a fun-packed week of games, Bible stories, crafts, music, group activities, and lots more! Our theme this year is SonRock Kids Camp-an outdoor adventure camp like no other. This camp is held daily from 8AM-6PM with a musical performance for your family and friends at 6PM on Friday evening, August 7. This camp is for children who have completed grades K-5.

WAGON TRAIN AUGUST 9-15

Wagon Train is a fun, rustic summer camp for kids age 8-11 years old. This Old West experience includes sleeping in real covered wagons, learning Archery and BB guns, riding canoes and kayaks around the pond and exploring Fort Logan. But the fun doesn't stop there! Camp-wide recreation games will have you talking for years to come. Wagon Train staff will perform amazing skits about the Bible and they will teach you great songs. You will experience all this and more, like Chipmunk rappelling rock, Giant swing, and the new Tree House Hill. This camp is a week long overnight camp.
