

AUTOMATIC MONTHLY GIVING

BENEFITS TO AUTOMATED GIVING

- ✓ Take a step of faith. Decide in advance to give faithfully to ERBC.
- ✓ Focus on worship during worship services, instead of on writing checks.
- ✓ Simplify your life. No more wondering whether you gave this month or not.
- ✓ Help ERBC. Your commitment to give regularly helps us plan for future ministry.

Automated giving is a free, flexible service that helps our church family faithfully support the ministries and missions of ERBC on a regular basis.

HOW IT WORKS:

All we need is the back of this form completed and returned to the church, along with a voided check. The first automatic deduction from your bank account will occur in about 4-5 weeks. We will send confirmation that we have enrolled you in this monthly plan and note the date of the first deduction.

From then on, everything is automatic. We will process an automatic deduction from your bank account by electronic funds transfer each month. Your monthly donations will continue until you let us know you want to stop. You can change the amount or stop your automated giving any time by sending a written request to ERBC.
