

Guidelines for ERBC Outdoor Gatherings

- **Face Coverings:** Wear a mask at all times while on campus. No one over the age of 2 will be admitted into the worship center without a mask. If you are unable to wear a mask, we ask that you continue to worship online until that recommendation has been lifted.
- **Social Distancing:** Maintain at least 6 feet of physical distance from others (with exception to family members and/or those you live with). Please interact and participate with responsible and respectful caution.
- **For Those Considered High Risk and Those with Certain Underlying Medical Conditions**, Experiencing Coughs, Fevers (100.4 F or 37.8 C) or Feeling Sick:** We ask that you stay at home, watch online and seek medical attention as needed. Please monitor your health and temperature for your safety and the safety of others.
- **Temperature Checks and Screening:** Take your temperature before attending and be assured that all of our staff and volunteers will be doing the same. You may be verbally screened to confirm that neither you or any members of your household have any of the aforementioned symptoms or have been exposed to anyone who is sick with COVID-19 in the last 14 days.
- **Restrooms:** Will be available along with soap to wash your hands (single person entry per restroom with exception to young children and parents). Hand sanitizer will also be available.
- **Food and Drinks:** We will not be distributing or sharing food and drinks at Gatherings. Please bring your own water as needed.
