Discussion Questions - Week #4

LIFEGROUPS

QUICK REVIEW
Thinking back to the sermon this weekend, "Where Is God In My Family?", in a sentence or two, summarize the main point.

Was there anything you heard for the first time or that caught your attention, challenged or confused you?

Is there any practical step you plan on taking this week in response to the message?

GETTING STARTED
- What is your favorite family depicted on television or film? Do you think that family reflects God's vision for what a family should be like? Why or why not?

- What is something that your family of origin passed on to you for which you are most thankful?

DIGGING DEEPER
1. In the message this weekend Pastor Rick shared that God is challenging us to make Him the center of our homes. A great description of how to do so is found in Deuteronomy 6:1-9. Why do you think when Moses gets practical in v.6, that he starts with the requirement that God's commands must be on our hearts?

While we might not literally bind God's Word on our foreheads, what are some creative ways that we can allow God's Word to more frequently permeate our lives today?

How do you think your life would change if you put the encouragements found in this passage into practice more regularly?

How do you think this passage might apply to those without kids living in the home or those living alone?

2. Read 1 John 2:28-3:3. John begins chapter three, verse one, with the word "see" in order to draw our attention to something. What does John want to draw our attention to?

What could you do to focus your attention on this truth throughout the week?

What did God do to make us a part of his family?

Is there anything surprising about God choosing to do so?

What do you think is the importance of understanding that we are children of God?

What connections does John make between our actions and our identification in the family of God?
